CFWG GRANT APPLICATION ONLINE PORTAL – SETTING UP YOUR ACCOUNT

- Register by visiting the Grant Application Online Portal Login Page: https://www.grantinterface.com/Home/Logon?urlkey=cfwg
- You can also access the link to the Online Portal by visiting the CFWG website and clicking "Apply Here" under the grant you want to apply for.
- Registering with the new system is a multi-step process:

  ▶Watch the tutorial video here!

  - Click the **link** provided to you by the organization to access the Logon Page.
  - If you've already created an account, enter your information and click **Log On**.

- If you've already created an account but have forgotten your password, click **Forgot Your Password** to reset it.

- If you haven't created an account, click **Create New Account**.

- If someone else from your organization has created an account for this site but you haven't created your own account yet, please reach out to the site's administrator. They can create an account for you that will be connected to your organization in the site.
- If you clicked Create New Account, you'll be asked to complete registration information for yourself and your organization. After filling out all the information, click **Create Account**.

Password

Passwords must be at least six characters long and may contain capital or lowercase letters, numbers, or any of the following special characters: !@#$%*()_

Create Account

- The next page asks you to verify that you received your confirmation email. This helps ensure that you'll receive other communications from this organization about your application. Click **Continue**.

Email Confirmation

ⓘ You will be receiving emails from this system about your request.

To ensure you receive emails from this system we have sent you an email to confirm your account was created successfully. If you do not see an email from *L&D Standardized GLM <administrator@grantinterface.com>*, look in your junk or spam folder.

To remove *L&D Standardized GLM <administrator@grantinterface.com>* from your spam filter, use the link below.
