

## Take Action Worksheet

Once you have discussed important community issues, it's time to move beyond the table. Spend a few minutes brainstorming what happens after the table: What actions can you take, as a group or individuals, to move your conversation from *ideas to impact*?

---

### ***What is your challenge?***

Describe the problem that you want to tackle, bring to light, support, solve or otherwise address.

---

### ***How will you take it on?***

Share what your group will do and whether the approach involves a particular hobby or skill that exists within your community, consider whether you will collaborate with another organization.

---

### ***Who will lead the action?***

Collect names and contact information, such as cell number and email address.

---

### ***Who can help?***

Collect names and contact information, such as cell number and email address.

---
